Dr. H. Sudarshan (Padmashree)

Hon Secretary: Vivekananda Girijana Kalyana Kendra. Padmashree Dr. Hanumappa Sudarshan in the 27 years he has worked with the Soligas, he has achieved remarkable feats, far beyond any that government efforts could ever have. Dr.Sudarshan has also maintained integrity of purpose in his service which is exemplary. When the Swedish parliament awarded him the Right Livelihood Award (Alternate Nobel Prize) in 1994, Dr.Sudarshan donated the entire award money to the betterment of the Soligas. The doctor stood his ground in protest when the Soligas were dispossessed of their land by the government. The Vivekananda Girijana Kalyana Kendra, which he set up in 1981, has blossomed into a sustainable tribal development program with few peers anywhere in the country.
